

SYAILENDRA LIBERTY FUND(SLF)

INVESTMENT OBJECTIVE

The Fund aims to give optimum investment result through investment in Debt Securities in foreign currency (United States Dollar) that still has sufficiently large potential to grow in the middle and long term, with proper attention to stipulations in the investment policies

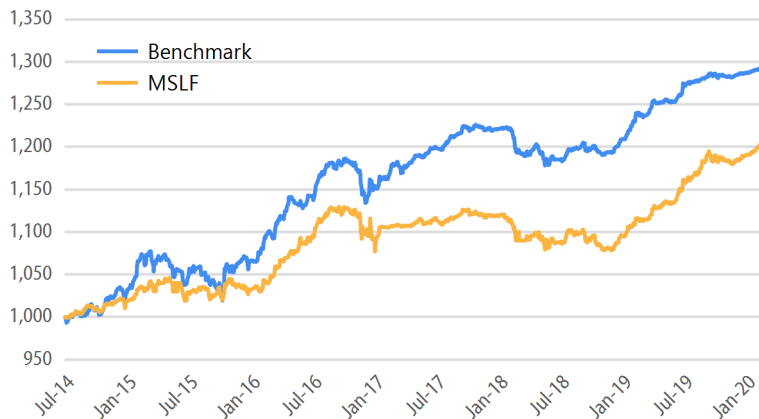

INVESTMENT STRATEGY

While the Fund has a flexible asset allocation strategy, it is generally fixed-income biased. The equity portion of the portfolio is managed actively in order to take advantage of short-term trading opportunities. Any idle cash would be automatically swept into money market funds.

KEY RISK

Risks associated with investing in the Fund include: change in economic & political conditions, liquidity risk and decreasing Net Asset Value (NAV) of the Fund. Please refer to the relevant prospectus for details.
